MaketPles ENB

Find one business from your LLG

For LLG Business Development Officers

LLG	**Vunadidir Rural**
DISTRICT	**Gazelle District**

The Division is putting East New Britain businesses on MaketPles ENB, an online marketplace where people across PNG, and family working away from home, can buy from them. We are asking every LLG for at least one business for the launch at the Division's conference in November.

Who to choose

- A business that is running now in your LLG, in one of the Division's six categories: agriculture and farming, tourism and hospitality, fisheries, retail and trade, transport, or professional services.
- The owner wants to take part and can be reached on a mobile number.
- IPA registration is preferred, but not needed for the pilot — the Division approves unregistered businesses case by case and can help them register.
- If you find more than one good business, fill in a form for each. One is the minimum.

On the visit

1. Explain the marketplace using the points below. Ask the owner to read section 7 or read it to them.
2. Fill in the form with the owner, in their words. Write prices in kina and say what each price is for (each, per kg, per night, per trip). On page 3, fill in the box for each type of business they do.
3. Take the photos with your phone, in daylight. The photo guide lists what to take for each type of business.
4. The owner signs section 7. You sign the officer's part. Without both signatures we cannot list them.
5. Enter the form online on your phone at market-remix.lesleywaninara.workers.dev/register?officer and add the photos there. Keep the signed paper form for your records.

What to tell the owner — honestly

- Joining is free. When selling starts, a small fee is taken from each sale. The Division will explain it before anything is sold, and the owner can say no.
- Nothing is sold yet. This form only gets the business ready to be listed.
- Their phone number is never shown to buyers. Bank details are not collected on this form.
- They can ask for their business to be removed at any time.

If you can't enter it online, return the form and photos
